SIFo REPORT – SEPTEMBER

Number of SIFo Trainees with Jembi / Moasis's Funding, Reported by Jembi - 2011 to 2018 (August 2018)

Cumulative Number of participants in Training with Jembi's Funding, 2011 to 2018

Number of Cumulative Trainees in SIFo, Financed by Jembi / Moasis, Reported by DRH, 2011 to 2018 (August 2018)

Since 2011, Jembi has been receiving and training health professionals in Information Systems. Until 2018, 1675 professionals were trained in several courses such as SISMA, Planning, SISH, SISROH, etc.

The Human Resources Division, through their Continuous Training Department, reports monthly in the SIFo system data on training that takes place in each sector with funding from the cooperation partners.

Data is inserted both by the partners in the Provincial Health Directorates (DPS) - Human Resources Division, and by the MISAU continuing training.

Since November 2017, when Jembi's staff had access to the system, data reported on Sifo, do not represent the total number of courses received and administered.
